What good is it to have a vaccine passport, if the people who are vaccinated are testing positive and dying.

Over 70,000 healthcare workers in New York are willing to be fired rather than take a mandatory shot.

What does that say to you?

Firing Nurses over a Shot During a Nursing Shortage

Vaccine hesitancy could save your life

ANYONE CLAIMING THERE'S A PLAN TO IMPLEMENT VACCINE PASSPORTS IS A CONSPIRACY THEORIST AND THEIR MISINFORMATION

Yes, let's not start in with that personal responsibility talking point Conservatives love so much. That makes weak people uncomfortable, asking for individual accountability for your actions.

the white conservative only in one way: the liberal is more deceitful than the conservative.

Both want power, but the white liberal is the one who has perfected the art of posing as the Negro's friend & benefactor.

"I predict that by the 21st century, our society will have made so much progress that we won't need to talk about race anymore. In fact, the people who still talk about racism will be the real racists! Isn't it ironic, don't you think?"
